

Forum Nordicum

16-19 SEPTEMBER 2025
VAL DI Fiemme

Greetings from the OC

*The **Organising Committee Nordic Ski Val di Fiemme** is pleased to host the 46th edition of the **Forum Nordicum**, the important event that annually brings together international journalists, technicians and communicators of Nordic skiing, and not only, making Val di Fiemme the nerve centre for a few days. It was with great enthusiasm that the proposal was taken up to bring the meeting forward to September, to allow accredited journalists to attend the **FIS Nordic Summer Festival**, an unprecedented format for the FIS Summer World Cup, which will unite in a single event a total of no less than 11 men's and women's competitions in Ski Jumping, Nordic Combined and Roller Ski, from 18 to 21 September. The **Forum Nordicum** will represent **another step towards the Winter Olympics and Paralympics Games Milano Cortina 2026**, where Val di Fiemme will be an absolute protagonist. Moreover, it will be an important opportunity to present to the media the **20th edition of the FIS Tour de Ski**, which for the 20th consecutive time will end in Val di Fiemme on 3 and 4 January 2026, with the famous Final Climb of Alpe Cermis.*

Il **Comitato Organizzatore Nordic Ski Val di Fiemme** è lieto di ospitare la **46° edizione del Forum Nordicum**, l'importante appuntamento che annualmente riunisce giornalisti, tecnici e comunicatori internazionali dello sci nordico, e non solo, rendendone la Val di Fiemme il centro nevralgico per alcuni giorni. Con grande entusiasmo è stata colta la proposta di anticipare il Meeting a settembre, per permettere ai giornalisti accreditati di assistere al **FIS Nordic Summer Festival**, un format inedito per la Coppa del Mondo estiva FIS, che unirà in un unico evento un totale di ben 11 competizioni maschili e femminili di Salto Speciale, Combinata Nordica e Skiroll, dal 18 al 21 settembre. Il **Forum Nordicum** rappresenterà un'altra tappa di avvicinamento al **Grande Evento delle Olimpiadi e Paralimpiadi Milano Cortina 2026**, dove la Val di Fiemme sarà assoluta protagonista e sarà un'importante occasione per presentare ai media la 20° edizione del **FIS Tour de Ski**, che per la 20esima volta consecutiva si concluderà in Val di Fiemme il 3 e 4 gennaio 2026, con la celebre Final Climb dell'Alpe Cermis.

Greetings from Forum Nordicum

Dear Friends,

the **Forum Nordicum 2025** is approaching and thanks to the initiative of our hosts from Val di Fiemme, we can now send you the **official invitation** and more detailed information.

In advance, many thanks to the **OC Nordic Ski Val di Fiemme** and **Newspower Press Office** for their commitment and ideas. I am sure it will be a wonderful event with numerous innovations, but of course also proven program items. In terms of content, we are guaranteed to have enough material for interesting lectures and discussions.

One of the innovations is that we as FN members please **all register and accredit in Val di Fiemme by middle of July** at the latest. This year, for the first time, the payment of the FN fee will be made directly and in advance – the corresponding information on the forms and the payment modalities can be found in the announcement. On Tuesday, September 16 – i.e. before the official opening – we will be dedicated to the Alpine Skiing should be given an appropriate place. Therefore, I ask you to schedule your journey to Cavalese accordingly. I am pleased to be able to present the FIL as a partner to you again in 2025, we are also in good talks with the IBSF, so that our Forum Nordicum will also be thematically broad in 2025. Our hosts also gave us the opportunity to participate in the **FIS Nordic Summer Festival** immediately after the forum and report on it. This festival will be a dress rehearsal for the **Olympic Games** and will be correspondingly well attended. Thank you very much for the opportunity to be there on preferential terms. You will find corresponding information on the accreditation application. I am looking forward to your participation and, on behalf of our hosts and the organizers, I wish us an eventful and successful 46th Forum Nordicum.

Liebe Freunde,

das **Forum Nordicum 2025** rückt näher und dank der Initiative unserer Gastgeber aus Val di Fiemme können wir Euch nun die **offizielle Einladung** und bereits jetzt weitere detaillierte Informationen schicken.

Vorab vielen Dank an **Nordic Ski Val di Fiemme**, und **Newspower Pressebüro** für ihr Engagement und ihre Ideen. Ich bin sicher, es wird eine wunderbare Veranstaltung mit zahlreichen Neuerungen, aber natürlich auch bewährten Programmpunkten. Inhaltlich haben wir garantiert ausreichend Stoff für interessante Vorträge und Diskussionen.

Zu den Neuerungen gehört, dass wir uns als FN-Mitglieder bitte alle **bis spätestens MITTE JULI** in Val di Fiemme anmelden und akkreditieren. Die Bezahlung des FN-Beitrages erfolgt in diesem Jahr erstmalig direkt und vorab – die entsprechenden Hinweise auf die Formulare und die Zahlungsmodalitäten findet Ihr in der Ausschreibung.

Wir werden bereits am Dienstag, den 16. September – also noch vor der offiziellen Eröffnung – dem Bereich Alpiner Skisport einen entsprechenden Platz einräumen. Deshalb bitte ich Euch schon jetzt, Eure Anreise nach Cavalese entsprechend zu terminieren. Ich freue mich, Euch auch 2025 die FIL als Partner präsentieren zu können, mit der IBSF stehen wir ebenfalls in guten Gesprächen, so dass unser Forum Nordicum auch 2025 thematisch breit aufgestellt ist. Unsere Gastgeber haben uns zudem die Möglichkeit eingeräumt, unmittelbar nach dem Forum am **FIS Nordic Summer Festival** teilnehmen und davon berichten zu können. Dieses Festival wird eine Generalprobe für die **Olympischen Spiele** darstellen und entsprechend gut besucht sein. Vielen Dank für die Möglichkeit, zu Vorzugsbedingungen dabei sein zu können. Auf dem Akkreditierungsantrag findet Ihr entsprechende Hinweise.

Ich freue mich auf Eure Teilnahme und darf uns im Namen unserer Gastgeber und im Namen der Organisatoren ein ereignisreiches und erfolgreiches 46. Forum Nordicum wünschen.

Forum Nordicum
