**16-19 SEPTEMBER 2025
VAL DI Fiemme**

PROGRAMME & INFO

Update_9.9.2025

Greetings from the OC

*The **Organising Committee Nordic Ski Val di Fiemme** is pleased to host the 46th edition of the **Forum Nordicum**, the important event that annually brings together international journalists, technicians and communicators of Nordic skiing, and not only, making Val di Fiemme the nerve centre for a few days. It was with great enthusiasm that the proposal was taken up to bring the meeting forward to September, to allow accredited journalists to attend the **FIS Nordic Summer Festival**, an unprecedented format for the FIS Summer World Cup, which will unite in a single event a total of 18 men's and women's competitions in Ski Jumping, Nordic Combined and Roller Ski, from 18 to 21 September. The Forum Nordicum will represent **another step towards the Winter Olympics and Paralympics Games Milano Cortina 2026**, where Val di Fiemme will be an absolute protagonist. Moreover, it will be an important opportunity to present to the media the **20th edition of the FIS Tour de Ski**, which for the 20th consecutive time will end in Val di Fiemme on 3rd and 4th January 2026, with the famous Final Climb of Alpe Cermis.*

Il **Comitato Organizzatore Nordic Ski Val di Fiemme** è lieto di ospitare la **46° edizione del Forum Nordicum**, l'importante appuntamento che annualmente riunisce giornalisti, tecnici e comunicatori internazionali dello sci nordico, e non solo, rendendone la Val di Fiemme il centro nevralgico per alcuni giorni. Con grande entusiasmo è stata colta la proposta di anticipare il Meeting a settembre, per permettere ai giornalisti accreditati di assistere al **FIS Nordic Summer Festival**, un format inedito per la Coppa del Mondo estiva FIS, che unirà in un unico evento un totale di ben 18 competizioni maschili e femminili di Salto Speciale, Combinata Nordica e Skiroll, dal 18 al 21 settembre. Il Forum Nordicum rappresenterà un'altra tappa di avvicinamento al **Grande Evento delle Olimpiadi e Paralimpiadi Milano Cortina 2026**, dove la Val di Fiemme sarà assoluta protagonista e sarà un'importante occasione per presentare ai media la 20° edizione del **FIS Tour de Ski**, che per la 20esima volta consecutiva si concluderà in Val di Fiemme il 3 e 4 gennaio 2026, con la celebre Final Climb dell'Alpe Cermis.

Greetings from Forum Nordicum

Dear Friends,

If the **Forum Nordicum 2025** goes as professionally as it has been prepared and will be prepared by our hosts, then we will **experience a new quality of this event** in Cavalese.

Already now a big thank you to **Nordic Ski Val di Fiemme** and **Newspower press office** for the commitment with which they are supporting our forum. For we must not forget that with the **FIS Summer Grand Prix**, the SJ & NC Italian Championships, the 20th FIS Tour de Ski, and last but not least the Olympic & Paralympic Winter Games 2026, great tasks lie ahead for our hosts. There is a lot of news in terms of content. With the IBSF, the global federation for bobsled and skeleton, we have been able to gain a new important partner. The Alpine sector will play a significant role, as will sledding, with the FIL as (still) a new partner, and of course biathlon with the IBU, which has been by our side for many years; we have been able to attract high-profile representatives from influential sports of winter sports for the Forum Nordicum. And of course, Nordic skiing will play a big role – not only because Val di Fiemme will host the largest winter sports festival in Nordic combined, cross-country skiing, and ski jumping in February. Also because the topics that need to be discussed are practically on the road (or rather: on the ramp). This autumn, we have been able to register registrations from well **over 70 colleagues**. This gives hope that the Nordicum Forum also has a future in the real world in the digital age.

I look forward to seeing you again or getting to know you, and on behalf of our hosts and the organizers, I wish us an eventful and successful Nordicum Forum.

Liebe Freunde,

wenn das **Forum Nordicum 2025** so professionell abläuft, wie es von unseren Gastgebern vorbereitet wurde und wird, dann erleben wir in Cavalese **eine neue Qualität dieser Veranstaltung**. Schon jetzt ein großes Dankeschön an **Nordic Ski Val di Fiemme** und **Newspower Pressebüro** für das Engagement, mit dem sie unser Forum begleiten. Denn wir dürfen nicht vergessen, dass mit dem **FIS Sommer Grand Prix**, den SP + NK Italienischen Meisterschaften, der 20. FIS Tour de Ski und last but not least den Olympischen und Paralympischen Winterspielen 2026 große Aufgaben vor unseren Gastgebern stehen. Inhaltlich gibt es eine Menge Neuigkeiten. Mit der IBSF, dem Weltverband für Bob und Skeleton, haben wir einen neuen wichtigen Partner gewinnen können. Der Alpine Bereich wird eine große Rolle spielen, auch Rennschlitten mit der FIL als (noch) neuem Partner und natürlich Biathlon mit der IBU, die seit Jahr und Tag an unserer Seite ist, haben wir hochkarätige Vertreter von prägenden Sportarten des Wintersports für das Forum Nordicum gewinnen können. Und natürlich wird der Nordische Skisport eine große Rolle spielen – nicht nur, weil Val di Fiemme im Februar Gastgeber des größten Wintersportfestes in der Nordischen Kombination, dem Skilanglauf und Skispringen sein wird. Auch weil die Themen, über die es zu diskutieren gibt, praktisch auf der Straße (oder besser: auf der Schanze) liegen.

In diesem Herbst haben wir Anmeldungen von weit **über 70 Kolleginnen und Kollegen** registrieren dürfen. Das macht Hoffnung darauf, dass das Forum Nordicum auch im digitalen Zeitalter eine Zukunft in der realen Welt hat. Ich freue mich auf ein Wiedersehen bzw. auf ein Kennenlernen und darf uns im Namen unserer Gastgeber und im Namen der Organisatoren ein ereignisreiches und erfolgreiches Forum Nordicum wünschen.
